**D**esert Jet Center, the desert's newest and highest rated Fixed Base Operator (FBO) held a dedication event this month in celebration of the support it has received from valued customers and local communities in building its new aviation facility at the Jacqueline Cochran Regional Airport (KTRM) in Thermal, California.

Local dignitaries which included Riverside County 4th District Supervisor V. Manuel Perez, Coachella Mayor Steven Hernandez, La Quinta Mayor Linda Evans, and staff representatives from the offices of Congressman Raul Ruiz, MD. and Assemblymember Eduardo Garcia were among the speakers and presenters during the event recognizing Desert Jet Center for its part in the development of the airport and local communities it serves.

Desert Jet Center, now operating in its second year, continues to be instrumental to the growth of the Jacqueline Cochran Regional Airport. As the "Preferred CAA" (Corporate Aviation Association) FBO at KTRM, Desert Jet Center remains the highest rated FBO in customer service (receiving 27 "five-star" reviews on industry sites

such as Airnav.com) and in safety, as the only FBO in the desert southwest to achieve IS-BAH stage 2 registration and meet NATA Safety 1st standards.

Desert Jet Center's new upscale 32,500-square-foot general aviation terminal and hangar facility is scheduled to open in Spring 2019.

# Desert Jet Adds Third Citation CJ3 to its Growing Charter Fleet

Leading business aviation services company Desert Jet is pleased to announce the addition of a third Citation CJ3 to its charter fleet. This beautiful 2007 aircraft is based at the company's Palm Springs headquarters at the Jacqueline Cochran Regional Airport (KTRM).

The Cessna Citation CJ3 is configured to accommodate up to seven passengers with beautiful leather seating in warm neutral colors. The roomy interior has an aft fully-enclosed lavatory and a galley area towards the front of the cabin for refreshments and snacks.

The addition of this aircraft brings Desert Jet's fleet to ten jet aircraft based throughout Southern California

to serve its clientele. "The CJ3 is the perfect addition to our existing fleet of beautiful, newer light jets", said Denise Wilson, President and CEO of Desert Jet.

The aircraft was acquired on behalf of the client by Desert Jet's acquisitions and sales team, who handled all aspects of the transaction from researching all on and off market aircraft, negotiating the transaction, and overseeing the pre-buy inspection. In addition, the aircraft was added to Desert Jet's charter certificate within days of taking delivery of the aircraft.

Charter inquiries can be made at [charter@desertjet.com](mailto:charter@desertjet.com) or by calling (800) 381-JETS. [ACN](#)
